Had a Patient With Bad Case of Indigestion, Sourness. Gas, Finally Orders Dreco, Get Fine

Results. Most doctors today shun so-called patent medicines, but here is one who, when he had done all he could for his patient without result, having heard of the wonderful benefits being derived from Dreco, was broad-minded enough to try it. He is Dr. A. R. Miller, corner High and Clifford streets, Detroit, and a very prominent physician in that city. He said: "I had a patient with a stubborn case of constipation, headache, dizzy, and complaining of gas on the stomach all the time. I had tried

the stomach all the time. I had tried her on a number of things, with only temporary relief. As long as she would take medicine she would be all right, but the troubles would return as soon as the medicine gave out. Finally I James Randolph presided. Among those first bottle helped her wonderfully. It is now over two months since she finshed her third bottle, and none of her troubles have returned, showing she is eured. I have used it with several paseured. Among the further shear the further and that the further and this tive in the further to the further h

troubles have returned, showing she is eured. I have used it with several patients with equally good results."

Dreco is an herbal system tonic, which acts directly on the organs of elimination. When these organs are working properly you will never have constipation, gas on the stomach, headaches, dizzy or weak spells. It is sold at all the O'Donnell stores and at the 304 F street store a special representaat all the O'Donnell stores and at the 906 F street store a special representative is on hand to explain it. JUDICIAL RECEPTION SCENE OF BRILLIANCE

CONTINUED FROM PAGE ONE.

served in the state dining-room Promptly at 9 o'clock to the strains of "The Star Spangled Banner," the President and Mrs. Wilson descended Talks of Ideal Center.

"Fundamentally, the community center as evolved by the Park View Citizens' Association is to be a center of genuine public assembly and discussion, and so of genuinely democratic control. The community center is as impossible without the community secretary as a newspaper would be without an editor, or a dallion of silver ornamented the bog-church without a minister, or a saloon ice. She carried an exquisite fan of church without a minister, or a saloon ice. She carried an exquisite fan of without a keeper, or any other institution ostrich feathers in the natural shades, without a person who represents and which she handled with rare grace ice. She carried an exquisite fan of ostrich feathers in the natural shades, as she descended the stairs.

"The ideal arrangement is to have the same community official who is employed over the children, in their use of the building, serve under the adults in their assembly there and also take charge of the organized club and recreation activities of the youth. But if he with a rose design formed in sequis. Is to occupy this larger office, he must be relieved of all teaching, except postulations. sibly the teaching of civics to the eighth grade pupils, and he should be paid practically three times as much as principals have been paid.

"There should be special assistants in charge of gymnasium work for men and women, a boys' club director, a girls' club director and librarian.

Henry P. Blair urged them to remember. Henry P. Blair urged them to remember that the primary function of the schools is to educate the children, and that Burleson, wife of the Postmaster Genmovements grafted onto the school systems. Henry P. Blair urged them to remember movements grafted onto the school sys-tem should give precedence to it. Other who spoke were Corporation Counsel Conrad H. Syme: George F.
